	Shorthead Redhorse	14+	0
	Spotted Bass	< 12	2 ounces per week (1 meal/month)
West Fork of White River	Black Bass Species	12+	0
	Buffalo Species	20+	0
	Carp	16+	0
	Carpsucker Species	16+	0
	Channel Catfish	12+	0
	Flathead Catfish	ALL	0
	Freshwater Drum	15+	0
	Sauger/Walleye	ALL	0
	Spotted Sucker	11+	0
	White Bass	14+	0

*Sensitive populations include: pregnant or nursing women, women that will become pregnant, and children under 6 years of age. These consumers should use caution when eating some types of sportfish.

**The maximum amount for adults to eat is determined by fishing location, species and fish length. For instance, if you eat the maximum amount of one species during a week, you should not eat any other fish which has a consumption limitation until the following week. Example - if you eat the limit (4 ounces) of a 20 inch long Carp from the Easy Catch River, then you should not eat any other sportfish from the list until the following week.
